State Boards.ie operates under the auspices of the Public Appointments Service and is committed to a policy of equal opportunity.

The Public Appointments Service (PAS), established under statute in 2004, provides an independent shared service in recruitment, assessment and selection to organisations across the Civil and Public Services. On 30 September 2014, the Government decided that PAS should also be given responsibility for putting in place an open, accessible, rigorous and transparent system to support Ministers in making appointments to State Boards. Our dedicated website, www.stateboards.ie, is the channel through which PAS advertises vacancies on State Boards. It is also the means through which accomplished, experienced and qualified people, including people who might not previously have been identified as available for appointment, can then apply to be considered for particular vacancies.
**Membership of State Boards**

High standards of corporate governance in all State Agencies, whether in the commercial or non-commercial sphere, are critical to ensuring a positive contribution to the State’s overall social and economic development.

Members of State Boards are appointed to act on behalf of the citizen to oversee the running of the affairs of state bodies. State bodies must serve the interests of the taxpayer, pursue value for money in their endeavours (including managing risk appropriately), and act transparently as public entities. Members of State Boards, and the relevant management team, are accountable for the proper management of the organisation.

Board members should act on a fully informed basis, in good faith, with due diligence and care, and in the best interest of the State body, subject to the objectives set by Government. In that regard and in accordance with 13.2 of the Guidelines on Appointments to State Boards, “it is advisable that no member of a State Board should serve more than two full terms of appointment or should hold appointments to more than two State Boards.”

The [Code of Practice for the Governance of State Bodies 2016](#) (the Code) provides a framework for the application of best practice in corporate governance by both commercial and non-commercial State bodies.

In order to be an effective contributor on a State Board it is recommended that members should:

- bring independent and objective scrutiny to the oversight of the organisation;
- be prepared to be challenging when necessary while being supportive to the delivery of organisational strategy and objectives;
- be equipped to offer considered advice on the basis of sound judgement and experience;
- be prepared to make a time commitment to their work commensurate with their role.

5. Submitting your Application

Before submitting your expression of interest, please review the self-assessment questionnaire which can be found here. This questionnaire is designed to help you in considering whether to submit an expression of interest - you are not required to submit the questionnaire as part of the application process.

Having considered the general suitability criteria for membership of a State Board, you should consider carefully how your background and experience fits with the specific appointment criteria set out in the Person Specification section in this booklet. Your submission should be made via the following link www.stateboards.ie together with your Curriculum Vitae and a cover letter (see Appendix 1 of this booklet for help with the online process).

IMPORTANT NOTE

Please take care when submitting your expression of interest. As the Assessment Panel will generally make its recommendation(s) based on consideration of the documentation which you submit, it is most important that you do the following:

1. Ensure your Cover Letter (and supporting CV) clearly specifies how your particular background and experience meets the requirements of the Authority position(s) specified in this booklet, and

2. That you fully answer any supplementary questions which are presented to you as part of our online application process.

This will help ensure that the Assessment Panel is as informed as possible as to the basis for your candidature and why you believe you are a person who could potentially be appointed to this State Board. Please only include information that is directly relevant to the particular role for which you are applying.

If you have any questions regarding the application process please email info@stateboards.ie.

An Assessment Panel (the “Panel”) will be convened by PAS to consider and assess the applications received by PAS. The Panel will:

- review and discuss the expressions of interest received against the specific appointment criteria for the role, as advertised in this Information Booklet;
- assess potential candidates further once they meet the specified appointment criteria by undertaking any or all of the following steps:
  - Consideration of the written applications; and/or
  - Meeting/conference call; and/or
  - Referee checks; and/or
- Any other selection or verification method deemed appropriate (this may include PAS requiring statutory declarations from shortlisted applicants as to the bona fides of the qualifications and experience contained in their applications).
- arrive at a shortlist of the most suitably qualified candidates (based on the information provided by the candidate) to be sent forward for consideration by the Minister.

Please note that the Public Appointments Service will not be responsible for any expenses incurred by candidates as part of our selection process.

6. Confidentiality

Subject to the provisions of the Freedom of Information Acts, 2014, applications will be treated in strict confidence. PAS is mandated by statute under the Public Service Management (Recruitment and Appointments) Act, 2004 to act as the centralised assessment and selection body for the civil service and to carry out all the procedures necessary to undertake the recruitment, assessment and selection of suitable candidates for appointment. By submitting your personal data (including your name, address, contact details and details of your education and work history contained in your curriculum vitae and cover letter) via publicjobs.ie, you acknowledge that such data may be used by the Public Appointments Service and disclosed to and used by client departments, in connection with its statutory roles to assist and advise relevant Ministers in relation to appointments to the boards of State bodies.
