stateboards.ie operates under the auspices of the Public Appointments Service and is committed to a policy of equal opportunity.

The Public Appointments Service (PAS), established under statute in 2004, provides an independent shared service in recruitment, assessment and selection to organisations across the Civil and Public Services. On 30 September 2014, the Government decided that the PAS should also be given responsibility for putting in place an open, accessible, rigorous and transparent system to support Ministers in making appointments to State Boards. Our dedicated website, www.stateboards.ie, is the channel through which the PAS advertises vacancies on State Boards. It is also the means through which accomplished, experienced and qualified people, including people who might not previously have been identified as available for appointment, can then apply to be considered for particular vacancies.

Membership of State Boards

High standards of corporate governance in all State Agencies, whether in the commercial or non-commercial sphere, are critical to ensuring a positive contribution to the State's overall social and economic development.

Members of State Boards are appointed to act on behalf of the citizen to oversee the running of the affairs of state bodies. State bodies must serve the interests of the taxpayer, pursue value for money in their endeavours (including managing risk appropriately), and act transparently as public entities. Members of State Boards, and the relevant management team, are accountable for the proper management of the organisation.

Board members should act on a fully informed basis, in good faith, with due diligence and care, and in the best interest of the State body, subject to the objectives set by Government. In that regard and in accordance with 13.2 of the Guidelines on Appointments to State Boards, "it is advisable that no member of a State Board should serve more than two full terms of appointment or should hold appointments to more than two State Boards."

The [Code of Practice for the Governance of State Bodies 2016](#) (the Code) provides a framework for the application of best practice in corporate governance by both commercial and non-commercial State bodies.

In order to be an effective contributor on a State Board it is recommended that members should:

- bring independent and objective scrutiny to the oversight of the organisation;
- be prepared to be challenging when necessary while being supportive to the delivery of organisational strategy and objectives;
- be equipped to offer considered advice on the basis of sound judgement and experience;
- be prepared to make a time commitment to their work commensurate with their role.

Appointments to the Board of Transport Infrastructure Ireland

Location:	Dublin
Number of Vacancies:	2 Ordinary Directors
Remuneration:	€11,970 (It should be noted that in line with the 'One Person One Salary' principle, no public servant will be entitled to receive remuneration in the form of board fees, save for situations that are statutorily provided for e.g. Worker Directors).
Time Requirements:	11 board meetings per annum (typically half-day per meeting). One of the successful candidates may also be required to sit on the Audit and Risk Committee (approximately 6 meetings per annum), and so candidate's attention is drawn to the provisions of the Code in relation to Audit and Risk Committee membership, which can be found here .

1. Background

Transport Infrastructure Ireland (TII) is a statutory non-commercial State body, which operates under the aegis of the Department of Transport, Tourism and Sport.

TII was formed as a result of the merger of the National Roads Authority (NRA) and the Railway Procurement Agency (RPA) to form a new body incorporating the functions of both bodies.

The [Roads Act 2015](#) provided for the dissolution of the RPA and the transfer of its staff and functions to the NRA and [Statutory Instrument 297 of 2015](#) provided for the newly merged NRA to be known as Transport Infrastructure Ireland.

TII's primary function is to provide an integrated approach to the future development and operation of the national roads network and light rail infrastructure throughout Ireland.

2. Functions of the Board

TII is governed by a Board of not less than ten nor more than fourteen members appointed by the Minister for Transport, Tourism and Sport. One position on the Board is an *ex officio* position reserved for the Chief Executive.

The following key matters are reserved for Board decision:

- approval of TII's Code of Practice;
- approval of Annual Report, Annual Budget and Corporate Business Plan;
- approval of the Annual Accounts;
- terms of reference of the Board committees;
- delegated authority levels, treasury policy and risk management policies;
- any decision to perform a function directly rather than through a Local Authority;
- the establishment of new toll schemes or revocation of a toll scheme; and
- new bye-laws for a toll scheme or a rail system.

The Board is also responsible for the appropriate governance of TII and for ensuring that there are effective systems of internal control, statutory and operational compliance and risk management in place.

The "[Code of Practice for the Governance of State Bodies](#)" provides a framework for the application of best practice in corporate governance by both commercial and non-commercial State bodies and also sets out information on the duties and responsibilities of Chairpersons, Boards and directors of State Bodies, including TII.

The Board is assisted in the discharge of its responsibilities by two sub-committees:

- Audit and Risk Committee
- Strategy Committee
